NONDISCRIMINATION POLICY

As a recipient of Federal financial assistance, and in accordance with Federal civil rights, and U.S. Department of Agriculture (USDA) civil rights, regulations and policies, Willow Health Care, Inc. (WHCI) does not exclude, deny benefits to, or otherwise discriminate against any person on the basis of race, color, national origin, religion, sex, gender identity, sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs or reprisal or retaliation for prior civil rights activity, in admission to, participation in, or receipt of the services and benefits under any of its programs and activities, whether carried out by WHCI directly or through a contractor or any other entity with which WHCI arranges to carry out its programs and activities.

This statement is in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (nondiscrimination on the basis of race, color, national origin), Section 504 of the Rehabilitation Act of 1973(nondiscrimination on the basis of disability), the Age Discrimination Act of 1975 (nondiscrimination on the basis of age), and Regulations of the U.S. Department of Health and Human Services issued pursuant to these statutes at Title 45 Code of Federal Regulations Parts 80, 84, and 91.

Additionally, in accordance with Section 1557 of the Patient Protection and Affordable Care Act of 2010, 42 U.S.C. § 18116 WHCI does not exclude, deny benefits to, or otherwise discriminate against any person on the grounds of sex (including gender identity), race, color, national origin, age, or disability in admission to, participation in, or receipt of the services and benefits under any of its health programs and activities, and in staff and employee assignments, whether carried out by WHCI directly or through a contractor or any other entity with which WHCI arranges to carry out its programs and activities.

WHCI will also take reasonable steps to ensure that persons with disabilities or Limited English Proficiency (LEP) have meaningful access and an equal opportunity to participate in our services, activities, programs and other benefits. The policy of WHCI is to ensure meaningful communication with disabled and LEP patients/clients and their authorized representatives involving their medical conditions and treatment. The policy also provides for communication of information contained in vital documents, including but not limited to, waivers of rights, consent to treatment forms, financial and insurance benefit forms, etc. All interpreters, translators, sign language interpreters and other aids needed to comply with this policy shall be provided without cost to the person being served, and patients/clients and their families will be informed of the availability of such assistance free of charge. If these services are needed, please see below to find contact information for the Nondiscrimination Coordinator at each individual facility operated by WHCI.

Affordable Care Act Grievance Procedure – ACA Section 1557

It is the policy of WHCI not to discriminate on the basis of race, color, national origin, sex, age or disability. WHCI has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. § 18116) and its implementing regulations at 45 C.F.R. pt. 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined at the business office of each individual facility operated by WHCI. Please see below to find contact information for the Nondiscrimination Coordinator at each facility who has been appointed to coordinate the efforts of that facility to comply with Section 1557.

Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, age or disability may file a grievance under this procedure. It is against the law for WHCI to retaliate against anyone who opposes discrimination, files a grievance, or participates in the investigation of a grievance.

Procedure:

- Grievances must be submitted to the Nondiscrimination Coordinator within (60 days) of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Nondiscrimination Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Nondiscrimination Coordinator will maintain the files and records of WHCI relating to such grievances. To the extent possible, and in accordance with applicable law, the Nondiscrimination Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to grievances and will share them only with those who have a need to know.
- The Nondiscrimination Coordinator will issue a written decision on the grievance, based on a preponderance of the evidence, no later than 30 days after its filing, including a notice to the complainant of their right to pursue further administrative or legal remedies.
